

**LUXE™**  
BY VISION

Craftsmanship, illuminated

## The glow of sophistication.

**Take your signage upscale.** LUXE™ will give your signage a distinctive, sophisticated look with crisp, precision-machined letters, producing an even diffused glow. This line of acrylic letters feature seamless, precisely defined edges and a low, 1½" profile. Illuminated, the result is a beautifully sophisticated, diffused effect, worthy of the highest-end establishment.

Available in Precision White or Premium lines, with a variety of face, side and halo lit versions – including new face options of Chemetal™ laminate and paint, all with lit returns. LUXE letters have been redesigned with a removable back, to now be able to service the LEDs. As with all Vision products, LUXE acrylic letters are backed by a lifetime warranty. UL-certified LED lights and power supplies come with a four-year manufacturer's warranty.

- Face, halo and return illumination options
- Nearly limitless customization options on sizes, finishes and colors
- Lifetime warranty on letters and logos
- Made in USA
- Typical 10 day production time
- UL Certified

*Made True.*

**Get into the Spotlight.** LUXE™ has specially designed LED lighting that uses less power, while providing better light diffusion. This sophisticated-looking, in-demand, signage solution will put your business in a glowing light with your customers.
