

Elegance

BY VISION

Craftsmanship, illuminated

Bordering on brilliance.

Make your signage stand out with *Elegance by Gemini*.

Elevate your signage to a new level of visibility with Elegance, *Vision's* premium line of illuminated, precision-fabricated letters and logos. Elegance combines the timeless, refined look of metal with the stopping power of a visible acrylic edge that extends beyond the metal. The result is a brilliant, glowing effect that gets your signage noticed.

Elegance is made to order with quality craftsmanship to last a lifetime. Choose from a wide range of options to achieve the sophisticated effect you're seeking.

- Stainless steel and aluminum fabricated options
- Halo or face LED lighting
- Nearly limitless customization options on sizes, finishes and colors
- Lifetime warranty on letters and logos
- Made in North America, for competitive production lead times

Made True.

Get the competitive edge. Increase the stopping power of illuminated signage with the brilliant effect of Elegance. Starting with face- or halo-lit stainless steel or aluminum letters, Elegance adds a translucent white acrylic that extends beyond the metal's edge. This extra dimension creates a brilliant glowing effect that gets your signage noticed.
